OFFICE OF THE MAYOR

Welcome to the 2018 Pride celebrations in Saskatoon, taking place on Treaty 6 Territory and the Homeland of the Métis Nation.

Year after year, the Saskatoon Pride Festival is one of the highlights for our city. Pride has an inclusive message of love and understanding, and it brings the community together in a powerful and important in support of trans, queer, and Two Spirit people.

We are fortunate to have a Pride celebration in Saskatoon each year because it helps us—as a community—to truly become a place where all people can find success. We have made a lot of progress over the past few years, but Pride also reminds us of the work that remains as we support those in our city who face discrimination and we create a more welcoming community, together.

The growth of Saskatoon Pride in recent years is a testament to the dedication of the volunteers who make it possible. With an enthusiastic spirit and a commitment to making Saskatoon a more resilient community, these volunteers go above and beyond in making Pride such a success. Along with many other residents of Saskatoon, I thank you for the significant and valuable work that goes into hosting these events and pushing the community conversation in a positive and progressive way.

I hope that everyone has a wonderful time at the many great events at the Saskatoon Pride Festival.

Happy Pride!
